

Certificate TW11/10624

The management system of

# Taiwan Semiconductor Research Institute, National Applied Research Laboratories (TSRI, NARL)

No.26, Prosperity Road I, Hsinchu Science Park, Hsinchu 30078, Taiwan, R.O.C.

has been assessed and certified as meeting the requirements of  
**ISO 9001:2015**

For the following activities

Provision of technical support service of integrated circuit chip and process implementation: software support, process equipment operation, IC fabrication outsourcing service, IC testing service, and education training.

This certificate is valid from 29 August 2023 until 29 August 2026 and remains valid subject to satisfactory surveillance audits.

Issue 8. Certified since 29 August 2011

Certified activities performed by additional sites are listed on subsequent pages.

Certificate TW11/10529

The management system of

# National Applied Research Laboratories Taiwan Semiconductor Research Institute

No.26, Prosperity Road I, Hsinchu Science Park, Hsinchu 300091, Taiwan, R.O.C.

has been assessed and certified as meeting the requirements of

## ISO/IEC 27001:2022

For the following activities

The provision of information security management related activities in TSRI covers the follows, and in accordance with Statement of Applicability Version 1.6.

1. Information Security Management of Security Lab.
2. Development, operation and maintenance of IC/SoC Design and Implementation Service System
3. Development, operation and maintenance of Manufacturing Execution System.
4. The management, operation and maintenance of Computing Server Room and network.

This certificate is valid from 29 July 2023 until 29 July 2026 and remains valid subject to satisfactory surveillance audits.  
Issue 8. Certified since 29 July 2011

Certified activities performed by additional sites are listed on subsequent pages.
