

## Declaration of Legal Use of Process Information for Chip Manufacturing

I hereby apply for commissioning the Taiwan Semiconductor Research Institute, National Institutes of Applied Research (TSRI) for chip manufacturing.

Name of process used: \_\_\_\_\_

The applicant guarantees that the above process information is obtained legally and is willing to observe relevant clauses and fulfill the confidentiality obligations thereof. The applicant agrees to be responsible for all losses incurred by the TSRI or the process provider as a result of breach of the aforesaid declaration and to take relevant liabilities.

Applicant:

(Signature)

National ID no.:

Service agency:

Title:

Address:

Date of declaration:

Note:

1. To commission the TSRI for chip manufacturing, the applicant shall apply for process information with the TSRI beforehand. If the process information of the manufacturer is obtained legally through other channels, this declaration document shall be submitted.
2. If the information provided by the applicant does not meet the requirements, is forged, altered or otherwise untrue, the applicant shall be liable for legal responsibilities and damages, and the TSRI shall immediately stop all relevant services.
3. This declaration document is submitted and recognized on an annual basis.
4. Please fill in this declaration document separately for each process.
