

2025 Intellectual Property Rights Affidavit

Time of release: October 1, 2024

Contractor _____ (instructor as the contractor) guarantees the following regarding Taiwan Semiconductor Research Institute's chip/PCB manufacturing:

- I. The contractor guarantees that the entrusted content does not violate any applicable patent regulations, copyright laws, or other intellectual property rights. In the event that the contractor infringes upon the intellectual property rights of others—such as patent rights, copyright laws, or other rights—they undertake full legal responsibility and endeavor to resolve the matter.
- II. The contractor shall bear full responsibility in the event that any false information contained in this Intellectual Property Declaration results in losses for Taiwan Semiconductor Research Institute.
- III. This Intellectual Property Declaration is valid from the date of signing until December 31, 2025, for the chip manufacturing application case submitted by the manufacturer.
